Boilerplate

Garantir is a cybersecurity company that provides advanced cryptographic solutions to the enterprise. The Garantir team has worked on the security needs of businesses of all sizes, from startups to Fortune 500 companies. At the core of Garantir's philosophy is the belief that securing business infrastructure and data should not hinder performance or interrupt day-to-day operations. With GaraSign, Garantir's flagship product, private keys remain secured at all times, without limiting the performance of cryptographic operations, including code signing, SSH, S/MIME, document signing, TLS, secure backup, and more.

Mission Statement

Garantir is dedicated to providing the most advanced cryptographic operations platform on the market. We deliver cybersecurity solutions that protect enterprise infrastructure and data without impeding performance or obstructing workplace integrations.

Garantir's Core Values

Technical Excellence

Garantir is dedicated to delivering products that are unequivocally the best on the market by every metric imaginable.

Frictionless Solutions

Garantir delivers pragmatic cybersecurity solutions that don't impede performance or interfere with operations.

Perpetual Improvement

The Garantir team is committed to continuous innovation and constant development. We're always improving.

Collaboration

Garantir firmly believes in the power of collaboration, with team members, technology partners, and customers alike.

Customer-Centricity

At Garantir, all technical development is guided by the needs of our customers. Customers always come first.

LOGO

Logo Mark

Primary Logo

Clear Space

The clear space surrounding a logo prevents text, imagery or other graphic elements from interfering with the legibility of the logo.

No graphic elements should encroach the border around the logo mark. This space is determined by 50% width of the logo mark on each side. Measure the clear space for primary logo mark by the height of the letter 'G'.

LOGO VARIATIONS

Light Backgrounds

Use the full color version of the Garantir logo on light backgrounds.

Dark Backgrounds

Use the white version of the Garantir logo on dark backgrounds.
